

BOONE COUNTY ADULT DAY CENTER NEWS AUGUST 2020

It has been said, “No news is good news”. However, the folks who said that must not have been waiting for a Day Center to reopen after a 4 month closure!

Never-the-less, we are grateful that, through keeping in touch with our Clients, we are assured they have remained well and safe.

All we’ve experienced in the past few months has undoubtedly heightened our awareness of how fortunate we are to live in the greatest nation on earth.

Yes, things are different than the way we lived before recent changes, but perhaps we are more aware of the importance of family, church, friendly hugs and many privileges we have long taken for granted.

As we go forward with whatever the future brings, we will bravely face the tomorrows with gratitude and an undying trust in what it holds for each of us.

Let us concentrate on what we can do for others, to brighten their lives in perhaps small ways, but we should know a mere smile will often turn the tide for someone who is in need of just a smile. Everyone is beautiful when they smile. Try it. 😊

Our profound thanks to United Way and The First Christian Church for their continued support directed to the Adult Day Center. We couldn't do it without awesome friends like you.

August Birthday Celebrations:
John, August 10th
Billie, August 17th

For someone who may be reading this little newsletter for the first time, if you or someone you know, need a service that provides respite for the weary caregiver or social time for the senior adult who may be home-bound otherwise, please give us a call. We will gladly let you in on how we give the senior citizens loving care in a fun filled environment. We welcome folks who would like to just bring in your loved one and try us out for a couple hours at no charge to see how we would fit into their life.

The moment we have a re-opening date, we will let you know!
