How our Senior Center “Works”.

The Searcy County Senior Activity and Wellness Center is “an equal opportunity provider and employer.” We serve older adults of Searcy County. We never charge a fee for our services for seniors age 60 or above, but we ask a donation for all of our services. We also don’t turn anyone away for inability to give a donation for our services. Our center is funded 55% from State and Federal Funding. We receive funds from quorum court. The other 45% of funding comes from clients giving contributions as they use our much needed services, outside donations and fundraisers done at the Center and in our community.

We ask a suggested donation of \$4 for congregate and Home Delivered Meals.
