Facility Assistant

*Hello my name is Taylor Fraser,
if I am not at work*

I am home spending time with my husband and two kids.

We love being outdoors either riding dirt bikes or enjoying time with family. Family time means the world to us as my husband is an OTR truck driver.

I'm so ready to meet everyone that comes to the Boone county senior center and so happy to have this opportunity to be the new facility assistant.

How our Senior Center "Works"

The Boone County Senior Activity and Wellness Center is "An equal opportunity provider and employer."

We serve older adults of Boone County. We never charge a fee for our services for seniors age 60 or above, but we ask a donation for all of our services. We also don't turn anyone away for inability to give a donation for our services.

Our Center is funded 47% from State and Federal funding. The other 53% is from a variety of different sources. United Way of Boone County Inc. provides a portion of funding. Another portion is given from Boone County Quorum Court. The remainder of funding comes from clients giving contributions as they use our much needed services, outside donations and fundraisers done at the Center and in our community.

We ask a suggested donation of **\$5.00 for congregate and Home Delivered Meals and **\$4.00** for transportation in town. There are also donation boxes in the exercise and computer rooms to help with costs of maintaining our equipment.**
