How our Senior Center "Works"

The Boone County Senior Activity and Wellness Center is "An equal opportunity provider and employer."

We serve older adults of Boone County. We never charge a fee for our services for seniors age 60 or above, but we ask a donation for all of our services. We also don't turn anyone away for inability to give a donation for our services.

Our Center is funded 47% from State and Federal funding. The other 53% is from a variety of different sources. United Way of Boone County Inc. provides a portion of funding. Another portion is given from Boone County Quorum Court. The remainder of funding comes from clients giving contributions as they use our much needed services, outside donations and fundraisers done at the Center and in our community.

We ask a suggested donation of **\$5.00 for congregate and Home Delivered Meals and **\$4.00** for transportation in town. There are also donation boxes in the exercise and computer rooms to help with costs of maintaining our equipment.**

New Kitchen Assistant

My name is Harley I'm 22 years old. I own a little house with my boyfriend, 3 Cats, a Dog, & about 10-15 stray cats we feed in our neighborhood. I was excited to get the job here at the Senior Center because I have always strived to help others, especially those who really need it. If I can make someone's day or even make someone smile, it makes my whole week.
