Food Safety

Refrigerated or Frozen Foods

You should purchase food products labeled “keep refrigerated” only if they are being stored in a refrigerated case. Purchase dated packages only if the label sell-by, or use-by date has not expired. Buy frozen products only if they seem to be completely frozen to the touch. Do not purchase more refrigerated or frozen food than you have room to store at home. In hot weather it is best to pack all refrigerated, frozen, or raw foods in an ice chest for the trip home. This is especially true if the time between leaving the store and arriving at home will be more than 1 hour. It is best if the grocery store is your last stop on the way home. Remember that even short stops during hot weather may let your groceries warm up to unsafe temperatures while sitting in the car, leading to spoilage and the possibility of food borne illness.

How our Senior Center "Works"

The Boone County Senior Activity and Wellness Center is "An equal opportunity provider and employer."

We serve older adults of Boone County. We never charge a fee for our services for seniors age 60 or above, but we ask a donation for all of our services. We also don't turn anyone away for inability to give a donation for our services.

Our Center is funded 47% from State and Federal funding. The other 53% is from a variety of different sources. United Way of Boone County Inc. provides a portion of funding. Another portion is given from Boone County Quorum Court. The remainder of funding comes from clients giving contributions as they use our much needed services, outside donations and fundraisers done at the Center and in our community.

We ask a suggested donation of **\$5.00 for congregate and Home Delivered Meals and **\$4.00** for transportation in town. There are also donation boxes in the exercise and computer rooms to help with costs of maintaining our equipment.**
