

Senior Activity Centers

Senior Centers are a great place for seniors to meet new friends, renew old acquaintances, have a hot nutritious lunch, or join in exercise, computer, and other classes. Enjoy dancing, pool, bingo, quilting, card games, or a quiet afternoon putting a puzzle together.

The centers also provide:

- Regularly scheduled transportation for seniors who no longer drive

- Home-delivered meals for the frail elderly

The Area Agency on Aging of Northwest Arkansas contracts with other agencies to provide senior center services.

These partnering agencies include:

Northwest Arkansas Economic Development District
Baxter, Boone, Marion, Newton, Searcy and Washington Counties
Director of Senior Center Services – Kaye Taylor

Office of Human Concern
Benton, Carroll and Madison Counties
Director of Senior Services – Nancy Johnson

Aging Services Program (Elderly Nutrition)

Arkansas will receive additional funds through the federal stimulus package to administer a range of aging services programs including Congregate Nutrition Services and Home-Delivered Nutrition Services – Meals on Wheels. The Department of Human Services Division of Aging and Adult Services will receive the recovery monies allocated to Arkansas to enhance these programs at the local level.
